

Outlook

The Voice of Lower Bucks County Chamber of Commerce

In each issue of Outlook, the Chamber has a special area called FOCUS. Included with your advertisement is either a separate 100 word maximum article which can contain your company's name, advertorial message, phone number, website, and email address OR a black and white photo of your business, company logo or business setting along with a 50 word maximum article. (Due to space limitations, the Chamber reserves the right to edit articles due to content and/or if the article is over the maximum amount of words.)

Below is a list of the industries that we will FOCUS each month, along with the advertising/advertorial deadlines. Advertorials are accepted via: voice, fax or email. Maximum of three advertorials per member within twelve months.
