

# Bucks County

## Home & Garden Guide

**T**own & Country Living magazines, the publisher of *Bucks County Town & Country Living* magazine, is proud to publish *The Bucks County Home & Garden Guide*. This comprehensive annual guide is something homeowners, interior decorators, and designers will love to have. It will include sections on home furnishings, kitchens, bathrooms, handmade furniture, Oriental rugs, carpeting, indoor and outdoor lighting, window treatments, roofing, siding, fireplaces, outdoor kitchens, swimming pools, ponds, landscaping, hardscaping, interior decorating, art, antiques, collectibles, and much more.

Readers will find new products as well as tips on gardening, furniture restoration, cabinetmaking, landscaping, an annual calendar of designer home, garden and house tours, and articles on homes and gardens. This publication will have a complete resource directory with advertising and listings of the best in the business.

*The Bucks County Home & Garden Guide* will be sent to all the area designers and decorators and will be mailed to upscale homeowners in Bucks County. It will also be distributed at annual home and garden shows and events throughout the year.

With a total targeted circulation of over 10,000 and estimated readership above 30,000, *The Bucks County Home and Garden Guide* will be a great way to reach readers interested in their homes and gardens. In addition, this guide will be available on all four of Town & Country Living magazines' websites for further exposure.

Broaden your market reach and reserve your advertisement today.
